HEART AND HANDS COMMUNITY PICNIC FOR AWARENESS

When? Thursday, June 12 at 6pm

Where? Green Road Community Library

Bring your family and join the 4-H Liberation Out Loud (LOL) Club for an evening of food, connection, and awareness! Enjoy a light meal, interactive activities like the "Wish Wall," and hear from The Women's Center about hunger and homelessness in Wake County.

If you're able, bring a donation of new adult-sized underwear and/or canned meals—at the event or anytime throughout the month of June!

This youth-led event is part of Hunger Awareness Month, a time to shed light on food insecurity and recognize those who need help in your community.
